

Social Welfare Corporation Ogoshi kai Koshiji-no-Sato Special Nursing Home

—Message from the Company—

We have much focus on interaction with elementary school students and volunteer work by local people. Additionally, we actively adopt ICT equipment to improve the quality of care and to help reducing the physical and mental burden on our staff. Even within a short period, the internship will offer valuable opportunities to interact with residents, experience welfare equipment, and gain many insights and discoveries. All of our staff are looking forward to your participation.
