

# KUBOSEI ELECTRIC CORPORATION

—Message from the Company—

- ① Our products are delivered not only within Japan but also to countries across Europe, North America, South America, Asia, and Africa, contributing to global economic development and environmental protection.
- ② Cheerful and enthusiastic employees with a positive and proactive mindset are thriving in our workplace.
- ③ In November 2024, the T&T Building was completed at the Takara Main Office. It is now fully operational and equipped with office space, an assembly plant, a cafeteria, and other welfare facilities.
- ④ At the Hokuyo Headquarters, we are accelerating capital investment with the construction of the V10 Building—which includes a technology center, sales and general affairs offices, meeting rooms, and a cafeteria—as well as the H3 Assembly Plant.
